

# NILAY SINGH

DEVELOPER IN MERN STACK

## PROFILE

As a MERN Stack Developer, I bring a versatile skill set and a proven track record of designing, developing, and deploying robust web applications. With expertise in MongoDB, Express.js, React.js, and Node.js, I have played a pivotal role in crafting efficient and scalable solutions that meet client objectives and exceed expectations. My experience includes building RESTful APIs, integrating third-party services, and optimizing application performance for seamless user experiences. I am adept at translating project requirements into actionable development plans, collaborating closely with cross-functional teams
